“ I was so shocked and saddened to hear the news of Nita's passing. She really was one of the kindest and caring people! Though we lived across the country we were able to keep up with each other through letters, though less of those recently. I have always felt a special place in my heart for Nita. May God bless her and all of her family and friends.

“ Nita was a great person and I was proud to call her my friend. We shared lots of great times together. We had so much fun fleamarketing and just sitting and talking. I didn't get to see her or talk to her much the last few years, but I have great memories. Prayers to the family and all of her friends!

“ Anita "Nita" was like a second mom to me & my 3 older sisters. We grew up next door to each other. Her sons, Chuckie & J.R. were like my brothers. We shared a lot good times & yes, she reprimanded me like I was her daughter at other times also. I lost contact with them for many years. Only recently did we pick up where we left off. I never got the chance to see Nita again before she passed away, but we communicated thru Facebook & also got the chance to talk on phone after my own mother passed away few years ago. I wish we could've spent some precious time together again, but the Lord & Don needed her with them first. I'll get my chance to play canasta with her again one day when we meet again. We'll keep an eye on your kids & grandkids for you, Nita. Just save a spot at the card table for us when we get there. Will miss you. Love you lots.
