“ *Best memories I can come up with a this time is Grandma was always there , no matter what you needed at anytime . She never judged by what anyone did or didn t have , she accepted folks for who they are. I have tried to carry those same beliefs as I grew up and lived  
Never will there be a more honest person than her.I am very proud She and my Grandpa (Woody) were a large part of my bringing up.. I will miss her always*
