“ To the Family and friends of Gordon,

*Know that Gordon touched thousands of lives in a positive way. His energy and passion for life seemed endless to those who worked with him. He personally changed my life in a positive way more than 20 years ago, and I continue to practice and apply many of his gifts and his advice in my business and personal life today.*

*I will miss him as will all of you. He had many gifts and treasures he shared. The world is a better place haven been visited for too short of time by him.*
