“ I had the privilege of being Cady's cheer coach at Urbana U. Although I only got to know her for a short time, she was very special to me. One of the best memories I have of her was when the university had a George W. Bush impersonator perform on campus in the room next to us where we were practicing. During practice, Cady had her ear pressed up against the wall trying to listen in. To her surprise, 'President Bush' popped in on our practice to say hi. Cady looked star struck! When he asked to get a picture with my squad, Cady made sure she got to stand right next to him. He returned back to the other room and Cady was on cloud nine the rest of practice. Her silliness always made me and my cheerleaders smile. My squad and I are truly heart-broken, but we will always cherish our memories of her. - Melissa Closser, Cheer Coach at Urbana University

“ Adam and family, i can not express the sorrow we feel for you guys with the loss of Cady. She was truly an Angel on Earth.

*Cady was one of my most favorite kids that i ever had the honor of being able to coach. Her competitivite side, was truly amazing. To see this absolutely beautiful, petite young lady strap on her catching gear and the transformation of sweetness to lioness, would at times leave me astonished.*

*Cady had a sense about her where she migrated towards taking on a leadership role. I wish i had the chance to tell her, just how much i appreciated her leadership and her ability to guide our teams. Knowing Cady, she would have just assumed "it was part of the job", had i mentioned it.*

*Often times i thought Cady's work ethic was a model for all to follow. I was so proud of her determination and drive, it only makes this even more difficult. I learned a lot from being able to work with Cady. Mainly, I learned that kids who posses the traits like Cady had, could accomplish anything they set their mind to. She was truly inspiring.*

*The Lord took her for a reason of which we may never know. He knows he claimed one of my most favorites and I'm certain he has a plan for her. I don' t know if they play softball in Heaven, but if they do, I'll feel sorry for the Angels who try to steel home on her.*

*God bless your family, and God bless Cady, one of the hardest working young ladies I've ever met.*
