“ *May you rest peacefully, no longer in pain. The Lord needed you up in heaven with he and his angels. We will miss you greatly but we will help one another heal our hearts. Rest high in the clouds where you will be soaring with wings of beautiful white. We will always miss our Hip. Love will guide us in this time of sorrow.*

“ *To my Dad,
You are at peace, resting and breathing the
sweet air in heaven. Though I selfish want
you here and the pain I feel in my heart is
terrible we will see each other again. I love
and miss you.
