“ My aunt Carmen I will always love her, she and my uncle Don was my home away from home. When my dad (Howard A Johnson) nicknamed Bob by his own mother, passed away (10 years ago) it brought me closer to my uncle Don he is like a second father to me. The kids and I went to see them on memorial weekend. We enjoyed the time we were there although uncle Don was sent to the hospital the night we got there I really miss not getting to spend more time with him, but Carmen and I had time to talk. I will MISS her very much she wasn't just my aunt she was my friend! This is the time the family needs to stick together and show are love will never die, life lives on in are hearts forever, it doesn't go away. I will always be here for you just let me know. I really do love you all. *cherie*
