“ Oh Sissy you are so much better off. We are so happy for you but our hearts go out to all the family you will be greatly missed. I remember the fun times at all the conventions. Especially the first one I went to in Fl years ago when we ate all the shrimp and skipped the meetings and went down the big water slide, oh we had fun. Love you Sissy.
Just found out today so couldn't come to the services or anything.

“ *I am so sorry to hear about Siisy. One wonderful thing to remember member is that she is in a beautiful place now. No more suffering, only peace and joy. Your family is in my prayers. May His peace be with all of you at this time. I love ALL OF YOU*

“ *So many great Sunday school stories going through my head. They all usually ended with Aunt Sis passionately crying at the end of them, whether she was talking about Jesus being crucified... Or something as simple as a misfit stuffed animal who found salvation after nobody wanted him. And let's not forget about the puppets... So many puppets :) I'm sure she's entertaining heaven right now with them.*
