“ I remember when first started driving he passed a car and and then he ran into a ditch.

I remember he let a bug crawl all over his sandwich and then he ate it.

I remember he was almost getting into a fight and waited until the other guy took out his false teeth and then the police broke it up.I remember telling on him for smoking.I remember he took my dad's car out for a joying ride one night and wreck it and the came home and went to bed.

Missing you!

Love your brother
