We have a child together Christin Marie Jones she is the best thing that happened to us. I will always have all our best memories held in my heart I will never forget the love that we shared. “ *Dad, I know things between us weren't the best, I know that I held a grudge because the way the drugs took over your life, but I wish I wouldn't have wasted the precious time. I miss you everyday. And I'm sorry I couldn't give you the send off that you deserve. You will be missed by everyone. And I promise to remind Preston of how much you love him. I keep remembering the times you would say when Preston gets old enough to tell you what he wants that you and him were gonna be best buds. I wish he couldve gotten to know you. I love you dad!*
