“ *Paul and Michelle*

Words are insufficient to express my sympathy on the passing of your mom. I met her over 57 years after she and my mother attended a meeting of the women's altar society. She has been closer than family and I wish circumstances would have allowed me to pay my final respects in person. God blessed us all by allowing her to be a part of our lives.

Love to you and your families

“ *Dear Michelle and Paul, our sympathy for the loss of your mother. I worked at the hospital many years with your parents. I enjoyed them both very much. They were the most friendly and helpful volunteers!!! It has been a long time since we walked the halls at Catholic Central, and I walked the halls with your mom and dad...but I will always remember all of you! Kindness is never forgotten. With sympathy, Sue and John Leep*
