“ Heartfelt sympathy to Craig's family. I will miss seeing his posts. His love of family, the outdoors, hunting mushrooms, and of course Harley will never be forgotten. It doesn't seem possible that he has passed on. Wishing his family peace and understanding during this time.

“ *To Craigs mother. Please take comfort in knowing that others are thinking of you with prayer. Prayer that you find peace and understanding of this. I know no mom thinks she will out live her child. Ours sons are in the arms of the angels and at total peace. Please take comfort in knowing we will see them again. May God bless you as you struggle through this time. Aarons mom, Claudia Shellabarger*
