“ The death of a loved one is never easy to deal with. May you find comfort in God’s promise of an earthly paradise where even death will no longer exist. That promise is found at Revelation 21:3,4 which reads “With that I heard a loud voice from the throne say: “Look! The tent of God is with mankind, and he will reside with them, and they will be his peoples. And God himself will be with them. 4 And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

Sincere condolences for your loss.

“ As a really young boy, Deveron used to come over to our house before and after Pee-Wee football practice and hang out with my bother Jimmy and friends. I was really young, somewhere around 5 or 6 years old, and I could never remember Deveron name. So I always call him Smiley because he was always smiling and it was infectious. Rest in Peace.

“ It is such a shame a wonderful person has been taken from this world so young. Although Jeff and myself left Northridge in 82' both Deveron and Ken were always remembered for being such a joy to be around. Our thoughts and prayers are with your family in this time although we are so far away. May God help you get through this difficult time and bless you with many great memories. God Bless...
