“ *My favorite memory with Diane is when she and Andy came down from Ohio for Bob's surprise "Pirate" birthday party. They came dressed as pirates and it really meant alot to us that she wanted to be here for that celebration. She dressed the part! And as I remember she even had a fever and stomach ache that weekend, but she didn't want to miss the pirate party. Thank you Diana for being a great aunt to my husband! You will be greatly missed. xoxo Nancy & Bobby*
