“ I was saddened to read of Dorothy's passing. I tried calling her and her phone had been disconnected, so I looked on line and found her obituary. I got a Christmas card from her every year and last year called her and we had a nice conversation about family. I am a distant relative. I think her mother and my dad were brother and sister. My dad's name was Frank Wise and I think he was born in Canton, Ohio. I would love to hear from family members, so that I can find out more about my heritage in Ohio. My sympathy to the family. I missed getting a card from her this year.

Sincerely,

Margaret (Wise) Perkins
