“ Judy, David, Dennis and Families --

I wanted to let you all know that you are in my thoughts and prayers just now and that I am sending my heartfelt sympathy at the passing of your mother. I am scheduled to work this weekend so I will not be able to be in Springfield for the memorial service and for that I am so disappointed. I have many, many fond memories of the Johnson family from our growing up years at First Christian -- remembering your mom as a Sunday School teacher, member of the choir, hostess for untold numbers of youth meetings and parties through the years, ladies classes and just a very devoted and dedicated Christian lady. Judy, I especially remember our vacation to Florida with your mom -- lots of laugh's and lots of fun. I am so grateful that God allowed such a special lady to cross my "life path" and I appreciate so much the influence she made on my life. Again, my thoughts will be with you all Saturday and in the days to come.
