“ I met Edd about 17 years when I started working at Maine's Collision Repair. He was still driving the semi then and would bring it in for service. He would stop and chat with me and he was always a joy to talk with. We shared our love of gardening and he was always so proud of his tomatoes! Last spring, my husband & I brought our Hot Rod to the car show at Forest Glen, and he was with his wife and family and I went up to him after not seeing him for a few years....and he was the same great guy! I so enjoyed getting to visit with him that day. He was a true gentlemen. Please accept my heartfelt sympathy to you and your family. So sorry for your loss. In sympathy, Lisa Booze
