“*Mrs. Frantz and I were "virtual friends" (never met in person) but shared many emails and several long phone calls. She became a friend and I will miss her. She loves the Lord and in so many ways seemed completely without guile. May God Bless her family. Bill*

“ I worked several years with Eleanor at CSC an she proved to be a wonderful woman of faith. Her search for God is a wonderful testimony and led her to the foot of the cross where she found Jesus. She said many times, "If you want to find the true God, just ask Him to reveal Himself and He will." Great words from her. We also enjoyed many lunches after she retired. I will always be grateful for her friendship and love that she gave to me. I want the family to know that she so lovingly spoke of them and although I didn't know them by name she was so thankful for them. Her niece brought her to the Living Christmas Tree at First Baptist Vandalia and she was always talking about the beauty in the lights and the music. Thank you all for making her life such a happy one. I will certainly miss her, but know one day I too will be in Heaven with her. Rosa
