“ I am so sorry to read of Ella's death. She was one of the sweetest, kindest, most loving people I have ever known. She was a shining light at the United Methodist Church in Pitchin and I enjoyed attending church with her. I will always keep warm memories of this beautiful woman in my heart. RIP in Heaven Granny...God has truly another angel.

“ I am so sorry for the loss that everyone is feeling after losing this wonderful and awesome person. I went to the Pitchin Church for many years and Ella was one of the people that was always so friendly and welcoming and I learned what it felt like to be part of a church family. I also learned that service was not only a good thing but a fun thing because making all those apple dumplings together was a lot of fun. Of course she was always able to check the dough and know exactly what it needed when I didn't have a clue. I will miss knowing that she is no longer here but I am comforted to know that she is in the presence of our Lord and I will see her again someday.
