“ *To the family of Mr. Blevins, please accept my sincere condolences in the loss of your Dad. I remember him, as I was growing up with his children, as being a very kind and gentle man. My sister and I stopped in about a year ago to see him, when I was home for a visit. I know he will be missed.* ”

“ *My Sweet Uncle Gene: I have been thinking about the hours and hours that you and I spent talking in the ICU waiting room at Community Hospital. Dad was so very ill and you didn't want me to be alone. Your quiet demeanor and loving support helped me to survive those trying times. I won't forget the times that I came to visit you and Aunt Chloe and you would proudly take me to see your gardens. I loved the fact that you shared your flowers and veggies. Until we meet again, please know that your are and will continue to be loved.*
