“ Frank was a wonderful neighbor. He was extremely helpful with all our projects and very passionate about old friends, animals and his plants. He provided better care for our plants and pets than we did. Frank was a ballroom dancer and my only regret is that he never demonstrated the splits to me. Frank had an extremely good memory and great skills at solving mysteries. I miss him.

“ Frank and I used to help each other out when he was at First National Bank. I am an attorney in Dayton. He was a wonderful person. If I can do anything to help you out, let me know.

“ *I will always remember Uncle Frank as the loving and caring man he was. He always gave to others, while putting his needs aside. He is finally at peace with his sister and parents. My God keep him in his care.*
