“ No words can express the heaviness felt in the heart when you lose a loved one, especially one as loving and caring as Ma' G. The memory of her that stands out so vividly in my mind is the time I came home and went to visit her. It had been quite some time since she had seen me. She gave me a big hug and said, with that big pretty smile of hers, girl you haven't changed a bit....but you still need to gain some weight!! I sure loved her!!! I am so very sorry for your loss and pray that GOD gives you all the peace and comfort that is need during this time of grieving. Love you all.

“ Awww sweet Gail. I had the pleasure of working across the hall from her for a while. I did not know her well, but I knew her enough to know that she was one of a kind and had a heart of gold. She took the time to pray for my family and I when we needed it most. She truly made a difference in my life. In my heart she will forever live. RIP my friend.

*To her loved ones, my thoughts and prayers are with you during this difficult time.*
