“ Our sadness and prayers goes out to the family. As time went by, we grew up and spread to different parts of the world, but we always have been, and will be bound by blood and memories. We'll miss you Gary, but "I'll see you on the other side cous".

“ Marla and family,

Please accept my condolences on the death of Gary. He was a delight to know in school as Gary was a true gem in our class of 1966. Many special memories of him are flowing through my mind, including dancing with him in first grade as Mrs. Foster had us sing "Way Down Yonder in the Paw Paw Patch"...if you could call it dancing in first grade!

May each special memory bring comfort and joy to you and your family.

*Sincerely,
