“ Although it is sad to say good bye to a loved one, especially a mother, we have to look back and remember all the memories made just by knowing the Kellough family. On my goodness, the laughs we have shared over the years, using with Grace driving us all aound when we were younger. She was like a second mom to my sisters and me, we had so much fun spending the night at her house,until she had one of the boys to throw cold water on Cindy, Carolyn and I to make up get out of bed. She might not be here, but if you close your eyes and listen real hard, you can still see an hear her laughing. Thanks for the memories.
