“ Dear Gregory, You are my little Brother Today , Yesterday and Always. I will never forget all the memories we had together. I could not of asked for a better brother than you. You stuck up for me when I was being picked on by the neighborhood boys, you led the way to TSC lake to go fishing and Curtis bowling lanes to bowl. you showed me your secret spots along the creek to chub fish with bologna and white bread balls. Yuck! !! to this day I cannot eat either one of them LOL! you were my best friend and not a day goes by that I do not remember you in one way or another. I will always Miss you and Love you. Your Wingman and sister Andrea Perrine Conti.

“ Greg and I were good friends who shared many good times together. We were in the same shop in VP-11 for 3 years. He was so full of life and we laughed all the time together. We stayed in touch for quite a while after we both left Maine. But lost touch. I will miss him very much. Everyone loved Face. Life isn't fair. I would have liked to sit and talk about our fun times together and catch up. To my Ordie Brother, I will miss you man. I'm sorry you can't be with your family. Your smile and comb will always be with me.

“ To Greg's family,
I was so very saddened by the news that Greg passed. Please know how very much I care and feel for your family in your loss. Greg was such a funny and talented person, and he truly touched our lives. I will never forget the times we spent stationed together as Ordnanceman in Patrol Squadron Eleven. He was always kidding around and making us laugh, there was never a dull moment in his presence. I will miss that laugh very much. Greg was a friend that made transferring to a new command hard, it was great to move on, but wished he came with you.
We are so sorry for your loss. He will be missed by so many of us.

“Gregory.... You'll be missed all who knew you. Julie - You are in our thoughts and prayers! I have to share a story of when we were kids. Greg and I had gone fishing at some lakes near our home in Ewing NJ. We rode on the same bike...Greg rode on the back holding the fishing poles. Anyway, I caught a big catfish (big by our standards) and we wanted to bring it home to show our Dad, so I had Greg hold the fish on a stringer and the poles while I rode us home on the bike. About halfway home, Greg got the fish caught in the spokes of the bike and we ended up with half a fish and fish guts all over him and I. Oh well.... Things you remember as kids.

Gregory served his country for over 20 years in the US Navy and there are not too many Americans who've done that. "Non Sibi Sed Patriae!" (Not for self, but country)

Love, David and Jennifer Zentmayer
