“ *Patty,*

My deepest sympathy for your loss. I was so sad to hear that Jeff had passed. I have some really fun memories of growing up on Blaine Avenue - what a great neighborhood to grow up in!

You are in my prayers. My mother, Violet, sends her love and prayers as well.

*Love,

“ *Pat, I am extremely sorrowed by the passing of Jeff. I came up to Ohio from North Carolina in May to see Jeff along with other friends and family but I had no idea he was sick. I had stopped by his and your house but neither were home. it wasn't until some time in June I had learned about is illness.*

Jeff loved his Kenton Ridge Cougars. He will be truly missed.

“ I would like to extend my deepest sympathy to Jeff's Family. I had the privilege of working with Jeff for the past 20 years. I have many memories, but my favorite was every year the Lab would recognize the week that Michigan and OSU played football. Jeff would always be the only one in BLUE, but that week he would always have a little more bounce in his step. He was so proud and I can here him now saying, "GO BLUE". I also was honored by Jeff inviting me to several of the NR Lions Club's annual Oktoberfest. Thank you Jeff for sharing your wisdom and leadership with me. Your dedication and commitment to all those you served through your hard work and expertise at SRMC is appreciated. You will be missed by many but never forgotten.
