Steve and I are so sorry we could not come to the funeral. Joan was a animal lover like myself. She will be truly missed.

Joan babysat me, years ago, on Moon Rd. I have many great memories, growing up on her farm. She got me into 4-H, taught me how to cook, bake, knit, sew & crochet. She also started my love for collecting teddy bears! I still have alll the ones she made for me, with love. So many wonderful memories! My deepest condolences to the family for the loss of such a wonderful woman.
