“ John was one of my favorite people. Always a kind word and a smile. Never had anything bad to say about anyone. Never complained and had a solid faith foundation. He was a role model for many. I wish I had more time with him.

“ My heart goes out to the family for the passing of John. Johnny and I go a long way back to our young teen ages . We had a wonderful time as very involved young people at the Blessed Hope Baptist Church. We played hard, prayed hard and live our christian lives in front of people. Johnny was always an outstanding person who everyone respected more than a little bit.

“ John was a wonderful neighbor. I always enjoyed talking to him in the six years I lived next door to him. He was always positive in spite of many health problems, and obviously loved his family very much. I will greatly miss him.
