“ As you comprehend this profound loss, let yourself cry knowing each tear is a note of love rising to the heavens. When you lose someone you love, you gain an angel you know. I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love. Love, The Clem Clan
