“ My memory is holding my son for the first time. How far is heaven i would like to know. So i can walk and hold him one last time. If i had to choose between breathing and loving u i would use my last breaths to say i love you. You was my MVP. You was my mini me. So many hopes and dreams are gone. I dream of u at night playing lego with jesus. Cant picture what heaven looks like but im sure its nice. I often wonder if your asleep or awake up there when i try to talk out for you. I know u cant talk back to me but somehow i feel like i hear you talk back. RIP bubby. Daddy will miss you. Rest my babyboy. Love You
