“ My condolences to your family. Death is not 'natural', therefore our loving heavenly father will soon bring it to an end. During this difficult time may knowing that bring you peace and may you be comforted by God's promise of the resurrection by means of Christ Jesus. For he said, "I am the resurrection and the life....". John 11:25

“ *Diane, Julie, & family,
I'm so incredibly sorry for your loss of Kari. I'm so blessed to have known her and have so many fond memories of us growing up together. As children, I remember riding roller coasters with Kari and as teens, Kari used to encourage me with her penpal letters. She always brought light into my day. She was so positive and courageous by nature. We were friends first, then cousins. Grandpa will be happy to see you, Kari. Diane my heart goes out to you- lots of love your way.*
