“ *Darlene and family, I wish to send my condolence to you and your family. I am so sorry to hear about the passing of your mother. I know how you feel since I too have lost both of my parents. I don't know if you remember me from our childhood. I remember you and your family living on Innisfallen Ave. in the 1950's. I lived on Amelia St. with my family and remember us playing together in the field between our homes. We went to Grayhill elementary together for a few years. I very recently asked one of the Elliotts about you and your family and then I saw the obituary of your mother. I will be praying for you as you make the adjustment to life without her.*
