“ *I have known Linda since we were both very young women. We attended church together and worshiped together and even helped (to God's glory) to begin the congregation of the Lord's church at Vale Road together. We both had daughters who have always had a wonderful friendship both as children and adults. Linda's greatest joy has always been her Lord and her family. One thing that I admired was that even when her health prevented her from attending church she found other ways to encourage. Linda used Facebook to encourage others. She would send her congratulations, compliments, sympathy and good thoughts to us all. She would also use it to stand for what was right which is something I thought was great. She will be greatly missed by all of us especially her loving family and to her family I extend my love and prayers. Linda is in a wonderful place and waiting for us. God Bless. Julie*

“*Herb, Tim, and Terry....My heart and prayers go out to all of you. What a wonderful Christian woman. Her faith in God was always strong and now, as hard as it is for all of you, she has her reward above. I care for you all. And Tina, I love you with all my heart. You are my first friend I ever had (at the age of 1 :) We grew up with eachother's mom's in our lives and I know how much she means to you and how very much you mean to her. Your mom's faith in God is such a great example. I'm glad to have lived my whole life hearing her happy laugh..... And will never forget her patience with me after the "birthday party" experience. I know she probably wanted to send me right home for ruining your bed spread...but she just hugged me and asked if I felt better. And in the morning she still took me to see the Shaggy D.A. :) That is my favorite memory of your mom. I love you and am always here for you. Shonette*
