“ *Cricket was such an amazing person. Although I've only known her a short while, she has been a part of my family since my dad was a little boy. I will always remember her as a giving person, someone who would give you the shirt off of her back...
To the family, you have lost such an amazing person in your life. I wish for her kindness and amazing personality to live in each of you. She will always live on in our hearts and memories.
May she rest in peace where there is no pain or suffering.*
