“ Jim,
Louise was a beautiful lady, so giving and thoughtful. I remember all the times I sat and watched her work her computer magic on your wonderful photos. She was an integral part of your business, of knife making in general, and of course your life. I think of her too, when I doctor my old cat, remembering the way she hand fed her cat, bringing him back from the brink of death to live a ninth life. The stories she told me of Dawn and the family and the friendship that we three shared. Those were good times. She will be missed, my thoughts and love are with you and your family .

“ Dear Jim and Family,

It seems that old friends keep in touch a weddings and funerals. Jim I know how much Louise were considered one. The friendship that both of you bestowed on me in a time of great hardship will never be forgotten! With all those that called me a friend, you and Jay Langlois demonstrated the depth of the meaning "friend". Take care and may HaShem give you shalom.
