“ Jane was one of the kindest souls I have ever met. She baby sat for my youngest child Nathan and spoiled him like any grandmother would! He was "little boy" and she was "little girl"! She was so much more than a baby sitter with the kindnesses she did for me to make my life easier as a working mom. She couldn't sit still so we were often surprised with a pie or cookies and dinner almost ready when I got home. She was such a beautiful person, inside and out. She will be missed.

“ Jane ("Ben Ben ") baby sat for 3 of our 4 children. She eased my mind when I left my first baby Sarah in her loving hands as I went back to work. She was like a second grandmother to our kids and a big help to me as she always went above and beyond just "watching" the children. I always thought that she most likely witnessed some of my babies' firsts, like the first word or first step, but if she did she never told us so that my husband and I could have that pleasure. We love you, Ben Ben!
