“ I went through part of grade school and all of high school with Ott Lee. I can honestly say that he was one of the best people I've ever known. I never heard him say a bad thing about anyone. He was a good boy and a good man. I am deeply sad to hear of his passing and my prayers are with the whole family.

“ I am a high school classmate of Ott Lee's from Martin, KY. He was always a good friend. When my ex-husband and I lived in Dayton back in the 70's, we got together with Ott Lee on few occasions and it was great connecting with him! He was always smiling and made anyone around him feel happy. My sincere sympathy to all of his family.

“ I went to school with Ott Lee and found him to be a wonderful person. We both returned to Martin for a reunion at the same time early in our lives. A big bunch of us went to a dance and Ott Lee and I won the dance contest. A great memory for me and glad to hear he was a wonderful person later in his life. My prayers are with his family and friends.
