“ *Patty will always be mommy 2 to me. Always making me laugh at the craziest of times. Making me beautiful birthday cards and cards w a crazy sense of humor.*

Patty was always there for me when I needed her most and being my support system when I had to do things I didn't feel comfortable doing.

Every time I see Mickey Mouse, butterflies or anything creative I will think of my mommy 2.

She will always be close to my heart...

I love you Patty...
