Tribute Wall

“ It broke my heart today to be told by my good friend Ronnie that his dear wife Becky had passed. We shared many really good memories together. I can remember when Becky wanted to treat Ronnie to a golf trip at Oglebay Resort in Wheeling, WV and even though this was a time for them to getaway, Becky went above and beyond to make the golf trip special for Ronnie and invited me and another co-worker to come along. We slept on the floor of their room at the resort and played several rounds of golf the next morning. This is a tribute to the kind of lady Becky was. She made me feel special and the guys in the maintenance dept at Madison Co. Hospital in the things she did for us. She was an amazing cook and baked some of the most delicious desserts I have ever tasted. I will miss her and my heart and prayers go out to Ronnie and the entire family. God love her and bless all those who came in contact with her.
