“ I have been blessed to have taught with Becky at Simon Kenton Elementary. She worked miracles with her little ones. Becky was of calm manner, displaying upmost professionalism and elegant bearing. I treasure the time I spent with Becky and now treasure my memories of this beautiful lady.

“ Thank you for being treasured friends through the years, Beck and Ron. We remember trips to the London church together, being part of your wedding, enjoying each other's children growing up, working on committees, having mutual MIS interests, and being sports fans. We feel blessed of God to call you friends. Merlin and Ruth

“ Dear Walkers,
I share your grief today but am also aware of His grace that is sufficient for times like this. Having walked this path myself, I can assure you His love is sustaining; His promises are true and His faithfulness is real. I pray you will know the joy of the everlasting arms embracing you in a holy hug. Blessings, love and prayers.
