“ I can still see Roger standing over his grill with a grass skirt on, for a Luau party he and Connie were having one summer. Boy, what sight that was. He was a grand man, and will be terribly missed. The Donnelly Clan.

“ We've known Roger for 75 years, not really close friends, but friends. through First Baptist Church when we moved to Springfield, and much later, through square dancing. Always great to talk with and share memories of our earlier mutual friends and times from the church.
