“ I am so sorry Mary Prior for the loss of your parents within the same month. I know your parents were extremely close and he was devastated when he lost his beloved wife, your mother Beulah. I can't imagine the pain you are going through but, I believe your dad is happy again to be reunited with his darling Beulah. He is no longer in pain from the grief he felt from her loss. I know your pain is deep and it will take time but, it will get a little easier with the help of family and friends. I know it will never go away but, I hope it eases your heart & mind to know they are together again and dancing in the clouds. Sincerely, Danielle & Joe too
