“ *Grandma, I am so glad we got to share things together. We were both reading books and then exchanging them. I also got you to try something new and you liked it. A mocha Frappe from McDonalds. I am going to miss you. As I made it a weekly plan to come over to your house for the last few months. I am so glad I had this time to learn about your childhood with all the stories you told me. You had the gift of communicating very well. Along with all your dancing you did. I would love to see videos of this if there are any out there. I love you lots and I miss you. Love Staci*

“ *So sorry for your loss. I lived next door to Ruth for many years, the entire time she lived in Northland condos. Ruth loved to tell stories about her life, her Ivan, how she outlasted 3 husbands and whether or not she wanted a #4, and of course her dancing troupe. She loved having company. Ruth was active up until her last few months. She was a joy to have as a neighbor and will be missed.*
