“ My family and I would like to offer our most heartfelt condolences! With her many entitlements my favorite was "MOM"! She wasn't my Mother, but for myself and a select few of friends, she was as close as you could get! She opened her home, and heart to us! She Spread her arms wide and gathered us under her roof of guidance and counsel! We were never judged nor blamed, just loved! For that, and so much more, You will never be forgotten! Because of you "Ma'am", my world and so many others, was a much Brighter Place! Thank You!!
