“ I will remember My Aunt Stella as one in a million. I looked forward to summer vacation from school every year cause I knew I would get to spend a week at my Aunt and Uncles home. I loved to mess with her by turning those Elvis dolls around and will remember her stories about all the states she visited and those spoons she collected. I love you Aunt Stella you were a rock and you raised some wonderful kids I couldn't ask for better cousins I hope everyone in life will get a chance to even know half the love for a Aunt that I had for you if so they will be as blessed as I was. Love you always Eric
