“ *Michael and Joshua; I will always remember your Dad as the free-spirited friend I cherished so much! Although we have drifted apart during the past several years; I have a ton of memories with him and one thing I know for sure is how much he loved you two. The last time I talked to him was a couple of years ago but most of the conversation was about you guys and the grand-kids. I won't be able to be there in person for the Memorial service but you and your families will be in my thoughts and prayers.*

“ My first message was for Tom and I completely apologize to the rest of the family.

Jeff, I am so sorry for the loss of your brother, and Candy, I am sorry that we never got to meet, he talked about you so often. He looked for you a few times, we even drove to Zanesville once.

Josh and Michael, I know we have already spoken on the phone, once again I am so sorry that you have lost your dad. No matter how you might be feeling, he loved both of you so much and talked about you often.

Joshua, you are lucky, you got to know your grandpa the best, I hope you can always share your memories with your sisters and your cousins.

And girls, how he loved his granddaughters, he never had a daughter and felt that all of you were precious!

I hope that you take all your memories of him and remember he is whole now, no more diabetes, no more disease!

Love  
Patti
