“ I worked with Travis at Lowes. I was always glad to see him on the schedule. Every morning we worked together I knew if I needed anything he would help. Anything at all. He was always the first person I turned to. I don't think there is a person in that store who would disagree with me. He will be greatly missed. I am very sorry for your loss. Please find peace knowing you raised an amazing man that touched many lives.

God be with you all. You are in my prayers.
