“ *Dear families of Trista,*

My sincerest condolences to you all. Trista was a very sweet girl who was always polite and considerate. I was Trista's counselor at TDA and I want to express all of our sadness regarding your loss. Your loss is deep, but I hope you know that Trista touched lives here and I wish your family all the best. Take care of each other in this difficult time as I am sure Trista would want. Please accept our sincerest wish for speed in healing and be comforted that she is watching over you.

“ Our sincere condolences to the family and friends of Trista Mae Lindstrom. May you be strengthened and encouraged to know that God will provide much comfort to you in the days ahead as you cope with the passing of your loved one. We are encouraged by His words at Revelation 21: 4 which says of our future hope: “And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” Jehovah has also given us the hope of a resurrection at John 5:28 where Jesus says “all those in the memorial tombs will hear his voice and come out.” May the friends and family be comforted during this time of great loss.

Dearest Evelyn and all the family. Gary and I are so saddened by your loss.
May God still your storm as He says in the Psalms--Psalm 107:29 "He stilled the storm to a whisper, the waves of the sea were hushed"
"Hurricane proof peace is a Person, and He'll be there when the storm is howling, and He'll be there when the storm has passed"
We love you.
Sincerely,
