“ *What a beautiful woman inside and out!!! I am so heartbroken for the whole family. I will never be able to eat butterscotch pie without thinking of her.....it was the best we ever tasted!!! Now she can share with all who have gone before her.....loads of love, Donna & Pat McCoart*

“ *When we were just kids, we had the good fortune to stay for a few months with Aunt Wavy and Uncle Elvin, waiting to ship off to the Philippines to join our dad. Us kids, Ray, Chris, my brother Mike, I stayed in this very cool big room on the top floor. It snowed huge amounts overnight. I remember staying awake watching the snowfall for hours. The next morning we all had the biggest, best snowball fight! I remember Aunt Wavy getting right in there with us, I can hear her sweet laughter and see her smile. When we were all pooped, she made us hot chocolate inside and we laughed, sipped the chocolate and got warmed up ... looking back on that now, I can see what a strong young spirit she had. She was so kind... she always had a hug for us kids, and the warmest smile. It was a wonderful time and so long ago, but I can close my eyes and still see the whole thing like it was yesterday, and see Aunt Wavy and hear her so clearly. She was quite special and will be sorely missed. She is with the Lord now, no crying there and no pain. She understands and awaits all of her beloved family into that Glory. God bless you all Chris, Ray, Parrish, Uncle Elvin, and family and friends. My prayers and my heart are with you.*

“ We have some of the most precious memories of Wavy, when we would get together on the weekends. We would play cards and at Christmas we would make Buckeyes and Bourbon Balls. She could make Butterscotch Pie like no other person in the world. It was wonderful. She was such a sweet lovely person and we will miss not being able to call her and talk to her. Her time ran out much too fast, but we know she is at rest and doesn't have to suffer anymore. Our love and prayers are with the family.
